August 30, 2007

Dear Illinois Simmental Association Board Members:

*It has been an honor to not only serve on the board with each of you but to be President of such a prestigious association as well. The past several years have offered me lots of experiences and opportunities while serving on this board. Much enjoyment has come from the interaction with the members of this association. The knowledge I have gained from this experience is irreplaceable and I am certain that I will use it throughout my life on an almost daily basis whether it be in the cattle world or in whatever other interests I may choose to pursue.*

*It is only because of other doors opening to Megan and myself that I must step down from the position of President and also step off of the Board. We are sad to leave but feel we have come upon an opportunity too good to pass up, one we feel probably only comes around once.*

*This is far from goodbye, as we will surely keep in touch and be "home" for the Beef Expo in February and of course the State Fair in August. I just don't think it would matter how many miles away we were, there's no way Megan and I could miss those events.*

*Thanks you for all you have helped me to learn, see and experience. Take care and we'll see you "out on the circuit".*

Sincerely,

*Ryan Haefner*

Remember :

*The Rick Haefner Memorial Scholarships are available at [www.illinoissimmental.com](http://www.illinoissimmental.com)*

## **Thank You For Your Service**

The Illinois Simmental Association would like to recognize Ryan Haefner, Stephen Robb and Darin Smith for their service on the ISA Board of Directors. Even though Ryan is taking a slightly early leave, his term, along with Stephen and Darin's terms are up this coming February. We truly appreciate all of your contributions to the association and its membership.

## **ISA Welcomes Your Service**

The ISA Board of Directors is looking for active volunteers who are willing to give of your time, talents and service. We are seeking 3 enthusiastic individuals to help promote the Simmental breed and the beef cattle industry. Interested? Please contact our interim President:  
Tom Engel (815) 796-4440

# **REMEMBER...**

**...any open female purchased through the Mid America Showcase Sale is eligible for additional premium monies at upcoming shows. The Champion High Percentage and Champion Low Percentage Females at the IJSA Preview Show will be awarded \$500 savings bonds. The ISA Board of Directors would like to continue to find incentives for junior exhibitors to purchase Illinois Simmental genetics.**

**LiveAuctions.TV**

The ISA Board of Directors, as endorsed by the membership at the annual meeting in February 2001, has developed along with Larry Martin Cattle Sales a new vision for the Simmental Sale at the Illinois Beef Expo. Progressive Simmental breeders from throughout the U.S. (specifically including Illinois breeders) are encouraged to consign their very best cattle to this "National Exposure Event."

- Breeders may consign bulls, open heifers, cow-calf pairs, bred cows and heifers, and low percentage and purebreds. Junior members are particularly invited to consign bred show heifers. Only a few top bulls will be allowed to sell. Larry Martin will approve cattle offered for sale.
- A show for sale cattle will be held in conjunction with the sale. The show will be held on Friday, February 23 at noon. Championship and class monies will be provided to show winners sponsored by the Illinois Simmental Association. Champion cattle must sell to receive prize monies provided to show winners.
- Nomination fee is \$100 per entry and is non-refundable. Fifty percent of the nomination fee will be jack-potted as prize money for the Mid America Show and is not included as part of the sales commission. Approximately \$2500 will be distributed as show premiums to consignors of class winners and show champions. Fifty percent of the nomination fee will be included as part of the sale commission. Sales commission is expected to range between 15% and 18%. Be sure to consign your best cattle. Do not be left out!
- Any open female purchased through the Mid America Showcase Sale is eligible for additional premium monies at upcoming shows. The Champion High Percentage and Champion Low Percentage Females at the IJSA Preview Show will be awarded \$500 savings bonds. The ISA Board of Directors would like to continue to find incentives for junior exhibitors to purchase Illinois Simmental genetics.
- To ensure a high quality catalog, Larry Martin is requesting that all entries be accompanied by a professionally taken picture. Here are a few suggested professional livestock photographers. Please contact them for availability and rates: Troy Stoutenborough - 217/454-5574 or Tom Stoutenborough - 217/235-5111 or Mark Sneed - 937/269-1871
- Contact any member of the ISA Sales Committee or Larry Martin for more information:  
Derek Rapp (Chair) - 815/712-4327, Tom Engel - 815/796-4440,  
Brian Loschen - 217/898-7815, Darin Smith - 217/478-2521, Larry Martin - 217/935-8211

# *Junior News...Gold Merit Award Recipient*

## ***IJSA Member, Adam Shreck - Kewanee, IL***

IJSA Member, Adam Shreck of Kewanee, Illinois was awarded the AJSA Gold Merit Award at the 2007 AJSA National Classic in Louisville, Kentucky this past July. He writes the following:

I have been involved with the AJSA/IJSA since 1995. My experiences with those organizations gave me focus for my career path. I've been recently married in June and currently, I'm a graduate student in the animal sciences department at the U of I under the advisement of Dr. Larry Berger. I, along with our research group, currently (and during the past 3-4 years ) work with the ASA with sire verified calves from cooperator herds in Montana. Our research will build a larger database for the ASA to use in refining feed intake values (and feed efficiency) specific to the Simmental population. This will help validate the new dollar indexes and will hopefully increase confidence/popularity amongst breeders. My future plans include pursuing a Master's and PhD in ruminant nutrition and continued involvement in beef cattle research and the beef industry.

### *Got Points?*

*Don't forget, junior heifer points nomination forms  
are available at [www.illinoissimmental.com](http://www.illinoissimmental.com)*

*Deadline is January, 15, 2008*

### ***Rick Haefner Memorial Scholarship***

Again this year, the family of Rick Haefner will be awarding scholarships to IJSA members in memory of Rick. You can find all the details as well as the scholarship application on:

***[www.illinoissimmental.com](http://www.illinoissimmental.com)***

***Click on Juniors > Rick Haefner Scholarship***

### *Tired of being cold & wet?*

*The IJSA will be selling wash pants. Look for this easy to support the  
IJSA. Stay warm & dry at Beef Expo...*

# ***IPT Bull Sale has new Web Site URL:*** ***[www.IPTBullSale.com](http://www.IPTBullSale.com)***

Seedstock breeders can obtain a copy of the Rules and Regulations and Nomination Form for the 2008 IPT Bull Sale on the Web at the new location of [www.IPTBullSale.com](http://www.IPTBullSale.com)

The IPT Bull Sale will be the lead off event for the Illinois Beef Expo that will be held from Thursday, February 21 through Sunday, February 24. The sale is scheduled for Thursday, February 21 at the Illinois State Fairgrounds Livestock Center in Springfield. The sale accepts older as well as yearling bulls, with the birth date range from January 1, 2006 through March 2007.

New for the 2008 sale is that all bulls must be tested for Bovine Viral Diarrhea (BVD) using the Persistently Infected (I) ear notch screening system. Also, all Breeding Soundness Evaluations (BSE) must be conducted by a veterinarian. In addition, at the time of Pre-Sale Catalog all bulls must have a Six Trait Power Score of at least 65.

Angus breeders need to be aware that once again "all Angus bulls must have ultrasound body composition images collected by field technicians certified by the Ultrasound Guidelines Council (UCG), with images processed by ultrasound technicians through the National CUP (centralized ultrasound processing) Laboratory or other approved laboratories" prior to arriving at the 2008 IPT Bull Sale.

The 2008 sale Power Score will be identical to the 2007 six trait ranking with equal emphasis on EPDs for birth weight, weaning weight, yearling weight, maternal milk, percent intramuscular fat and ribeye area.

The number of bulls that breeders are eligible to consign to the 2008 sale will be eight, with two of these bulls not requiring nomination fees. However, consignors selling more than six bulls will require that they index above the average for their breed. Also, consignors not selling bulls in 2006 or 2007 sales are still limited to nominating two bulls.

Nomination deadline and fees are three tiered with the following dates and costs: November 15, \$75, December 1, \$100; and December 15, \$125. A copy of the Rules and Regulations and Nomination Form can be obtained by writing to Dave Seibert at the East Peoria Extension Center, 727 Sabrina Drive, East Peoria, IL 61611 or by calling 309-694-7501, Ext. 224.
